DAD JOKES BY LUCARELLI

- My best friend tried to re-marry his ex-wife. **She figured out he was only after his money.**
- The nun at my church is always wiping her nose on her clothes. **She has a nasty habit**
- My doctor told me I eat too much sodium. **I'll take his advice with a pinch of salt.**
- I ran into a lamppost yesterday. **Luckily I only sustained light injuries.**
- I always take an extra pair of socks when I play golf. **In case they get a hole in one.**

GOOGLE 5 STAR REVIEW

GOOGLE

"I've worked with Todd and Brian of AOTC for about 5 years now. They are very knowledgeable at all things regarding the environmental services industry. Their company handles customer service very professionally. And they are very quick at deploying services when needed."

Thank you to our amazing customers for your continued support and for leaving us such positive feedback. We're so grateful for your kind words and are thrilled that we're delivering a top-notch experience. We love serving our community and will strive for excellence in everything we do.

ENVIRONMENTAL AND INDUSTRY NEWS

"Environmentalists hope Governor Ron DeSantis will give the green light on the state budget. The proposed budget is more than \$11,000,000,000 in projects that would benefit agriculture and the environment. The proposed budget would be a record-breaking amount focusing on water protection and the environment. Some of the proposed budget includes \$850,000,000 for wildlife corridor, water quality improvements in the Caloosahatchee Watershed, red tide, and Everglades restoration. "

What Is Air Sparging?

At AOTC, we have the experience, equipment, and skills to determine whether air sparging remediation is a good fit for your project and, if so, take the necessary steps to clear up the contamination. Along with our site assessment, we can perform numerous other types of site cleanup as part of our environmental remediation services. Contact our team today to learn more.
