

## EMPLOYEE SPOTLIGHT

We are thrilled to shine a well-deserved spotlight on one of our incredible team members, Emily Tirado! As our dedicated Admin Support, Emily keeps our operations running smoothly.

With her keen organizational skills and exceptional attention to detail, Emily ensures that our office functions efficiently daily. From managing schedules and coordinating meetings to handling necessary documentation, she is the backbone of our administrative team.

But Emily's contributions go far beyond her administrative duties. Her warm and welcoming personality creates a positive and inclusive atmosphere for everyone she interacts with. Whether it's answering queries, offering a helping hand, or simply brightening our day with her infectious smile, Emily's genuine

care for others is truly remarkable.

Outside work, Emily enjoys hanging out with her 6-yr old son, teaching Zumba class, gardening, and plant keeping, going out to eat, playing video games, and watching sci-fi and scary movies.

Thank you for everything you do, Emily!

## GOOGLE 5 STAR REVIEW

I recently used this company to remove heating oil tanks and soil remediation. The project manager, Jimmy, was very prompt in responding. They were careful not to damage anything in the area they had to work. They did an excellent job, and their price was very reasonable.

Jimmy went above and beyond with his reports. I couldn't be more happy with Jimmy and the company.
