## SAFETY DAY PHOTOS

We had a blast at the ACSF Safety Day, where safety professionals took a swing at improving their putting skills. They're safety experts, but their golf game could use some work! In the spirit of fun, we gave \$18 to those who dared to take on the putting challenge. Hey, it's not about the money but the experience and camaraderie! Cheers to all the safety champs who joined us on the green. Until next time, keep practicing those putts!
